

山东大学

SHANDONG UNIVERSITY

INTERNATIONAL ADMISSION
HANDBOOK

Welcome

Located in the economic powerhouse and cultural heartland of China, Shandong University (SDU) is one of China's top universities and is well-reputed for world-acclaimed researchers, dedicated teaching staff, and superior campus facilities and services. As a comprehensive university with a wide coverage of academic disciplines, SDU attracts over 3000 international students from over 110 countries each year. Students from various backgrounds give SDU a rich culture mix and contribute to a dynamic learning atmosphere.

Studying abroad is both exciting and challenging. At SDU we have over 60 years of experience of welcoming international students into our programs. That's why we have an extensive support network in place and try to make your time at SDU enjoyable and worthwhile.

We look forward to meeting you on SDU campus, and welcome to be our int'l SDUers!

"The rotations through the simulation lab and clinic allowed me to get a real sense of what a medical education requires. The faculty in the departments are extremely accessible and approachable."

---Javed Akhtar, Pakistan, Ph.D, Thoracic surgery

"Studying at SDU has broadened my horizon. I have the opportunity to study and experience new things every day."

---Pascale Gilles Trevor Bestel,
South African, Bachelor,
Clinical Medicine (MBBS)

"Nice friends, best teachers, comfortable campus and an impressive culture tour to Qingdao. Studying at SDU is the best choice that I have made!"

--- Jintmai Wongpiyachon,
Thai, Master, Industrial Economics

"My Chinese colleagues are of greatest help in overcoming the language barrier while dealing with the patients. I firmly believe that studying in SDU made me a better doctor."

---Leela rani Parimi, Indian,
Master, Dermatology & Venereology

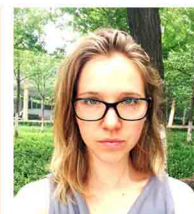

"At the Cultural Display held at the school, many Chinese students showed strong interest in South Korea. I am happy to be able to exchange different cultures."

---Hyun Seung Ah, Korean,
Bachelor, Business Administration

"I am proud to be a postgraduate student of SDU and I've decided to bring my family here, a clean, peaceful and safe place for living and studying."

---Chia Jee Luen, Malaysian,
PhD, Ancient Chinese Literature

"The most positive aspect of the program is that my classmates come from different countries, which really helps the learning process of International Relations as we all have such different backgrounds.."

---Jennifer Baccanello,
Australian, Master, International Relations
